Don't miss this presentation filled with helpful advice to help make your retirement move easier before, during and after the move.

What to do with all my accumulated stuff?

Professional senior move managers will share their experience helping people downsize. Hear what they say are the keys to moving the process along in a smooth and timely fashion.

Listing my home for sale

How do I select the right realtor and what do I need to know and do before putting my house on the market? Don't miss these Do's and don't from the pros.

Dollars and sense

Learn about the tax implications and advantages as well as other important financial considerations.

Donating unwanted belongings

You'll come away with a complete resource listing of organizations who accept donations of clothes, books, household items and other belongings.

Parting with valuables

Get professional advice regarding the appraisal and sale of furniture, jewelry and other valuables.

Making the move

Professional and experienced movers will provide valuable advice on selecting a moving company, questions to ask, and helpful tips to make a move that won't break your back or your bank account!

Settling in

Arriving at your new home isn't quite the end of your move. How to ensure that moving in and getting settled can actually be enjoyable.

**You're invited to
stay for lunch.**

Feel free to join us for an informal
light lunch after the program.
