Dear Taylor Community,

Some may get sick of me saying “we’re all in this together” but, when it comes to the coronavirus pandemic, it is true. It is our shared responsibility to keep one another safe and healthy. Asymptomatic infection is high. In other words, our chances of getting infected are not based solely on our own actions, but are also impacted by the actions of those around us.

We are grateful that Taylor Community remains coronavirus-free. This is thanks to our community’s collective efforts and, to be honest, probably a bit of good luck. Today I simply want to remind all of us to keep it up. Wearing a mask, social distancing and hand washing are the best things we can do to keep this virus out of our community. We strongly recommend wearing a mask at all times outside of your home. However, we are requiring that you wear a mask when in our Woodside Building common areas, or when outside in any common areas on our campus, including the Pavilion and gardens. The exception to this is when you are outside in these campus common areas alone.

Next week I hope to announce our Phase 4 re-opening plans. These plans would go into effect on July 13th and are contingent upon our community’s continued vigilance with mask wearing and social distancing. Let’s all do our part to keep Taylor Community safe and healthy.

Be safe, wear a mask, and please keep washing your hands,

Michael

JOKE OF THE DAY

Courtesy of a Resident Funnyman

Upon arriving home, John was met at the door by his sobbing wife. Tearfully she explained, "It's the pharmacist. He insulted me terribly this morning on the phone."

Immediately John drove downtown to pharmacy to demand an apology. Before he could say more than a word or two, the pharmacist told him, "Now, just a minute. Listen to my side of it..."

This morning the alarm failed to go off, so I was late getting up. I went without breakfast and hurried out to the car, but I'll be damned if I didn't lock the house with both house and car keys inside. I had to break a window to get my keys. Driving a little too fast, I got a speeding ticket. Then, about three blocks from the pharmacy I had a flat tire. When I finally got to the pharmacy there were a bunch of people waiting for me to open up. I got the pharmacy opened and started waiting on these people and all the time the darn phone was ringing off the hook. Then I had to break a roll of nickels against the cash register drawer to make change, and they spilled all over the floor. I got down on my hands and knees to pick up the nickels and the phone is still ringing. When I came up, I cracked my head on the open cash drawer, which made me stagger back against a showcase with a bunch of perfume bottles on it and half of them hit the floor and broke. The phone is still ringing with no let up and I finally got back to answer it. It was your wife...she wanted to know how to use a rectal thermometer!"

ABSENTEE BALLOT APPLICATIONS

Do you need an absentee ballot application? If so, please contact Brenda Kean for an application. She will fax your completed application to the City Clerk's office for you and they will mail you your ballot. Simple as that. If you have any questions, please contact Brenda at 366-1226 or bkean@taylorcommunity.org.

POWER SHUT DOWN ON THURSDAY
