Dear Taylor Community,

How much money do you think is inside this piggy bank?

New Taylor Community residents Judy & Steve Siegel have been putting their “lucky money” in this ceramic pig for 20 years. Every time they have come upon a lucky coin or bill while out for a walk, hike or run, they have deposited it into the pig. There have been many coins found along the way and even some \$20 bills. And now, after moving the VERY heavy pig to their new cottage here at Taylor Community, they have decided that it is time to find out how much money is inside it.

They have also chosen to have a little fun in the process. The Siegels are jumpstarting Team Taylor’s fundraising efforts for the “It’s For the Kids” Greater Lakes Region Children’s Auction fundraiser by donating the contents of this piggy bank to the cause. Even more, they’re offering a \$50 cash prize to the person who guesses closest to the amount inside.

The contents of the pig was dropped off for counting and deposit into the Children’s Auction account at Meredith Village Savings Bank yesterday. How much money do you think was inside? Guesses can be submitted to Gretchen at [gandini@taylorcommunity](mailto:gandini@taylorcommunity) or 366-1482 by Monday morning at 8:00a.m.

The Siegels have also offered to leave the empty pig in the Woodside Building lobby until the Children’s Auction in December to encourage their fellow

Taylor Community residents to drop their “lucky money” in the pig to benefit the kids! Let’s see if we can fill it up once again!

This simple act of kindness is a wonderful example of the generosity and fun of our Taylor Community family. So many of us have been quite lucky in our lives, and this story reminds us that there are a variety of ways we can share a bit of our good fortune with others. My thanks to the Siegels for their unique gesture of goodwill.

Be safe, wear a mask, and please keep washing your hands,
