

COVID-19 PRECAUTIONS AT TAYLOR COMMUNITY

Updated November 11, 2020

Taylor Community is committed to keeping our residents, staff and the greater community healthy. Our management and clinical staff continue to carefully monitor the continually evolving situation, communicating with the Department of Health & Human Services (DHHS) and Centers for Disease Control & Prevention (CDC), and following their recommendations.

We continue to test our staff regularly, along with residents in our licensed buildings as needed. We are fortunate that our campus remains COVID-19 free. The following is a list of the most up to date information regarding current services and guidelines here at Taylor Community, along with some Frequently Asked Questions.

VISITOR GUIDELINES—INDEPENDENT LIVING (WOODSIDE BUILDING AND COTTAGES)

- Independent Residents may host family and friends as guests in their cottages and apartments as long as they are visiting from one of the New England states. All visitors to Taylor Community will be symptom checked at the entrance to campus upon arrival, and must be symptom-free to be admitted to campus.
- Per State of New Hampshire guidelines, NH residents or out-of-state visitors traveling to/from areas outside of New England (Vermont, Maine, Massachusetts, Connecticut, or Rhode Island) need to self-quarantine for the first 14 days of any intended stay in NH after travel (starting from the last day of their travel outside New England). This recommendation is irrespective of the mode of transportation for travel (public vs. private transportation). It is also acceptable for travelers to New Hampshire to self-quarantine in their home state prior to arrival as long as they do not travel on public transportation.
- We ask that visitors not spend time in the common areas (inside or outside) on campus. This includes the Outdoor Pavilion and Garden area and the campus walking trails.
- We realize this is a difficult, stressful and challenging time, but we all can help stop the spread of COVID-19 by practicing social distancing and staying close to home.

VISITOR GUIDELINES – LEDGEVIEW AND TAYLOR HOME BUILDINGS

- Per State of New Hampshire guidelines, there is restricted visitation in our licensed buildings. Window visits in our new heated outdoor enclosures are currently being scheduled via email. For more information, or to schedule a visit with a resident of Ledgeview or Taylor Home, please contact Becky Cartier at bcartier@taylorcommunity.org.
- Visitors for window visits will be symptom checked at the entrance to campus upon arrival, and must be symptom-free to be admitted to campus.

WHAT SHOULD I DO IF I FEEL SICK?

- Call your doctor if you are not feeling well. Please also let Care Management Nurse Heather Bell know if you begin experiencing any symptoms of COVID-19, including: a temperature higher than 100, a cough, sore throat, runny nose, shortness of breath, muscle aches, headaches, joint pain, or changes in taste and smell. Heather Bell’s phone number is 366-1340. It is imperative that we are informed so that we can help you get tested and ensure you are getting the care and support you need.

DO I HAVE TO WEAR A MASK ON CAMPUS?

- We ask that all residents, staff, and visitors wear a mask in our Woodside Building common areas and when outside in any common areas on our campus, including the Pavilion.
- If you are outside on campus common areas alone, or you can adequately social distance yourself from others, then it is okay to remove your mask. However, please be sure to have a mask with you at all times should you need it.

ARE CONCERTS, MOVIES AND EVENTS ON CAMPUS OPEN TO THE PUBLIC?

- Concerts and events on campus are not open to the public and visitors at this time. These events are open to Independent Residents who live on campus only, on a reservation basis to allow for socially distant seating. (Masks required) While we all look forward to the time when we can welcome friends, family and our greater community back to enjoy events on our campus, these restrictions are necessary for safety at this time. For more information on events or programming, please contact Brenda Kean at bkean@taylorcommunity.org or 366-1226.
